Slide guitar is a particular technique for playing the guitar that is often used in blues-style music. The technique involves placing an object against the strings while playing to create glissando effects and deep vibratos that make the music emotionally expressive. It typically involves playing the guitar in the traditional position (flat against the body) with the use of a tubular "slide ...

An electric guitar is a guitar that uses one or more pickups to convert the vibration of its strings into electrical signals. The vibration occurs when a guitar player strums, plucks, fingerpicks, slaps or taps the strings. The pickup used to sense the vibration generally uses electromagnetic induction to do so, though other technologies exist. In any case, the signal generated by an electric ...
