[[Epub Download]] Dangerous Dream A Beautiful Creatures

Dangerous Dream is a novella intended to introduce readers to the Dangerous Creatures series, without having to have read the popular Beautiful Creatures series. The premise of the story is right up my street - packed with dark supernatural beings, and given that this book is only around 35 pages long, this should have been a very enjoyable quick read... yet it took me three days to force myself to finish it.

[PDF/ePub Download] dangerous dream a beautiful creatures

Could you see Dangerous Dream being made into a movie or a TV series? Who should the stars be? No. Aside from the fact that this is a very short story (not even a novella, really), the Beautiful Creatures movie was a stinker and I doubt they'll go down that road again. Any additional comments? I don't mind cliffhangers, but this was left unfinished.
