Global Investments - GBV

Global Investments: Pearson New International Edition For courses in International Investment. Global Investments, the Sixth Edition of the previously titled International Investments, provides accessible coverage of international capital markets using numerous examples to illustrate the applications of concepts and theories.

Amazon.com: Global Investments (6th Edition)

Global Investments, the Sixth Edition of the previously titled International Investments, provides accessible coverage of international capital markets using numerous examples to illustrate the applications of concepts and theories. The new title reflects the current understanding that the distinction between domestic and international is no longer relevant and that asset management is global.
