With more critical reading coverage than any other composition reader, Reading Critically, Writing Well helps students read for meaning and read like a writer, and it guides them to use what they've learned in their writing. Each of the book's 8 assignment chapters includes a specific guide to reading that challenges students to analyze the authors' techniques as well as a step-by-step ...

### **critical reading strategies : quick help : student writing**

Critical reading is a form of language analysis that does not take the given text at face value, but involves a deeper examination of the claims put forth as well as the supporting points and possible counterarguments. The ability to reinterpret and reconstruct for improved clarity and readability is also a component of critical reading. The identification of possible ambiguities and flaws in ...
