Challenging behaviors and how to redirect the child

called "Redirecting Children's™ Behavior"™ (RCB), a nationwide parenting movement overseen in Nashville by director Bill Corbett. That's™ What It's™ All About Based on the 1964 classic Children: the Challenge by Rudolf Dreikurs (Plume), RCB was created by educator Kathryn Kvolcs in order to give Dreikurs's™ theories practical application.

Redirecting Children's™ Behavior - Family Journeys

Redirection is a classic form of discipline, one that works especially well with younger children who might not necessarily understand or listen to reason and logic. To put it simply, redirection is basically taking an emotionally-charged situation and diffusing it, thereby removing any lingering hard feelings.

Redirecting Behavior | ECLKC

While redirection and distraction can be a positive discipline strategy for toddlers and young preschoolers, it may discourage older children from using their problem solving skills. Additionally, the act of redirecting your child away from undesired behavior places responsibility for resolving the issue on the parent instead of the child.

Strategies Used to Redirect Child Behavior. December 10, 2010 by ds_48763 Leave a Comment. When your child misbehaves, the last thing you want to do is sink to his level, yelling and losing your temper yourself. What you want to do is redirect his behavior. During the heat of the moment, this is sometimes difficult to do.
