Recall in memory refers to the mental process of retrieval of information from the past. Along with encoding and storage, it is one of the three core processes of memory.There are three main types of recall: free recall, cued recall and serial recall. Psychologists test these forms of recall as a way to study the memory processes of humans and animals. Two main theories of the process of ...

Most of my readers know about my deep, abiding and often embarrassing love for Dan Fogelberg and his music. He filled the soundtrack of my youth, made me want to learn to play the guitar, was the model for all the moody musicians I fell for in college, and trying to figure out how to meet himâ€”when Iâ€™m being ridiculously honestâ€”is the real reason I started Performing Songwriter magazine ...
