Reporting Compliance to the Jurisdiction by Water Use Sector *A blank indicates that the jurisdiction did not report any water use figures for that particular sector. **N/A indicates that reporting compliance percentage could not be calculated.

Annual Report of the Great Lakes Regional Water Use

Local and regional governments need information to support action in their communities. To address this need, the Fourth Assessment includes reports for nine regions of the state. These summary reports were included for the first time as part of the State's assessment process in part because the vast majority of adaptation planning and implementation will happen at local and regional scales.
