Rape in Afghanistan is a crime which can be legally prosecuted, but in practice it is very rarely reported, because of the immense risks that women face if they report it. Rape victims in the country face a double risk of being subjected to violence: on one hand they can become victims of honor killings perpetrated by their families, and on the other hand they can be victimized by the laws of ...

Violence. As Christians we often speak out against the senseless violence we see in our society. The massacres at a movie theater or school, late term abortions, and street crime all rivet our attention. Some of us put our hope in the church, thinking that going to a Christian church will put an end ...
