Rouen during the Wars of Religion. By Philip Benedict

Rouen During the Wars of Religion. A concluding chapter seeks to show that many of the patterns visible in Rouen's history were also characteristic of communities throughout France, pointing the way to a reinterpretation of the Wars in which the actions and experience of the great mass of the population are given attention equal to...

Rouen History. When the city went through urban turmoil in the 14th century with the assassination of the mayor and the pillage of noble mansions, King Philip IV of France responded by temporarily suspending the city's charter and its prosperous monopoly over river traffic. During the Hundred Years' War in the 15th century,...
