Run Wichita Wichita's Running Club

The 10K run is a long-distance road running competition over a distance of ten kilometres (6.2 miles). Also referred to as the 10K road race, 10 km, or simply 10K, it is one of the most common types of road running event, alongside the shorter 5K and longer half marathon and marathon. It is usually distinguished from the 10,000 metres track running event by stating the distance in kilometres ...

History Prehistoric running Hunting. Anthropological observations of modern hunter-gatherer communities have provided accounts for long distance running as a method for hunting among the San of the Kalahari, American Indians, and the Australian Aborigines. In this method, the hunter would run at a slow and steady pace between one hour and a few days, in an area where the animal has no place to ...
