Maintenance Release Announcement for SAS 9.4 Overview. A maintenance release is a collection of updates to SAS products or components that corrects customer-reported issues and adapts the product to a changed environment.

### **Maintenance Release Announcement - SAS Support**

This is a list of file formats used by computers, organized by type. Filename extensions are usually noted in parentheses if they differ from the file format name or abbreviation. Many operating systems do not limit filenames to one extension shorter than 4 characters, as was common with some operating systems that supported the File Allocation Table (FAT) file system.

### **List of file formats - Wikipedia**

This file format extension list gives an overview about the huge amount of different file types available. To get more detailed information about each file extension, please click on the links below.
