Asylum in Australia is governed by statutes and Government policies which seek to implement Australia's obligations under the Convention relating to the Status of Refugees, to which Australia is a party. Thousands of refugees have sought asylum in Australia over the past decade, with the main forces driving movement being war, civil unrest and persecution.

1. Introduction. In recent years there has been a large influx of refugees in Europe. In several countries of origin, public health systems collapsed and vaccination programmes have been interrupted due to war, political or economic instability, resulting in inconsistent vaccination coverage among refugee populations. In the EU, outbreaks and isolated cases of several vaccine-preventable ...
