"Person of interest" is a term used by U.S. law enforcement when identifying someone involved in a criminal investigation who has not been arrested or formally accused of a crime. It has no legal meaning, but refers to someone in whom the police are "interested," either because the person is cooperating with the investigation, may have information that would assist the investigation, or ...

This policy establishes principles and requirements for all medical records and applies to all physicians. The policy indicates any additional requirements that exist based on the type of record (e.g., paper, electronic or hospital-based records) or the physician's practice (e.g., primary care, procedural medicine, group practice).
