In Sisters of the Yam, bell hooks reflects on the ways in which the emotional health of black women has been and continues to be impacted by sexism and racism. Desiring to create a context where black females could both work on their individual efforts for self-actualization while remaining connected to a larger world of collective struggle, hooks articulates the link between self-recovery and political resistance.

Black Women and Self-Recovery. Sisters of the Yam stands apart as a self-help book, she says, because it links self-recovery with political resistance. In these times of anti-feminist backlash, and with growing rates of depression and HIV/AIDS among black women, this important book offers multiple paths of healing and diverse ways of thinking spiritually.
