The autism rights movement (ARM), also known as the autistic culture movement, is a social movement within the neurodiversity and disability rights movements that encourages autistic people, their caregivers and society to adopt a position of neurodiversity, accepting autism as a variation in functioning rather than a disorder to be cured. The ARM advocates a variety of goals including a ...

Women's suffrage in the United States of America, the legal right of women to vote, was established over the course of more than half a century, first in various states and localities, sometimes on a limited basis, and then nationally in 1920.. The demand for women's suffrage began to gather strength in the 1840s, emerging from the broader movement for women's rights.

We ourselves feel that what we are doing is just a drop in the ocean. But if the drop was not in the ocean, I think the ocean would be less because of the missing drop. As quoted in Mother Teresa's Reaching Out In Love - Stories told by Mother Teresa, Compiled and Edited by Edward Le Joly and Jaya Chaliha, Barnes & Noble, 2002, p. 122; I do not agree with a big way of doing things.
