Performance Measurement - CIMA

Building a category management capability that crosses organizational boundaries puts the "strategic" back into strategic sourcing. Category management fundamentally differs from strategic sourcing and builds on the credibility that strategic sourcing professionals have created for themselves over the years.

Category Management: Beyond the "Strategic" in Strategic

Strategic management and planning are no longer the preserve of senior executives. This free course, Strategic view of performance, looks at three different approaches to strategy before analysing the direction that strategic management may take now that it has become an accumulation of small tactical decisions rather than a top-down process.
