Studies in American history - Internet Archive

Social Studies "American History Course I: The Founding Principles There will be two required American History courses at the high school level. American History I: The Founding Principles will begin with the European exploration of the new world through Reconstruction.

Addendum: American History I: The Founding Principles

The course explores great issues/themes in American history from the Civil War through the onset of the Great Depression (e.g. The Frontier West, Progressivism, The Roaring 1920s). The course places each issue/theme within a broader historical context and encourages students to develop written and verbal skills.
