This authority flows in a direct *œlineœ* down to their subordinates. Because line authority flows downward, managers do not have line authority over peers. The most common example of line authority is a patrol supervisor's authority over the officers under his immediate command.

Principles of Supervision Studyguide - CJI

The Principles of Management CLEP is one of the easier exams. Normally a day or two of study is enough to pass since most test takers already have an understanding of the majority of material covered.
