PB 1 What is science? The word "science" probably brings to mind many different pictures: a fat textbook, ... verified by multiple lines of evidence and then integrated into the rest of science, a process which can take many years. And often, discoveries are not bolts from ... Science can only answer in terms of natural phenomena and natu-

### **PB 1 What is science? - Understanding Science**

The authors provide even, well-integrated coverage of physics, chemistry, earth science, astronomy, and biology. The way the material is presented (chapter outlines, core concept maps, and overviews) reveals how the science disciplines are interrelated and integrated throughout the text.
