Ralph Richardson in Tales From the Crypt (1972). Should the devil be British, with a public-school accent foretelling an eternity of cold showers, compulsory chapel and canings? I was 14 when I saw Tales From the Crypt, and I can remember Richardson, wearing a brown monk's robe and sitting in a stone alcove shushing

the questions of

short story collection, "Tales from Rainwater Pond." I had always been a big fan of his plays and books and this was no exception. I was particularly drawn to a story called "Table Manners," which was set amid the hustle and tussle of a literary festival. The story concerns a teacher called Michael Farr who has aspirations to be a writer.
