

talking it over pdf

A talking animal or speaking animal is any non-human animal that can produce sounds or gestures resembling those of a human language. Several species or groups of animals have developed forms of communication which superficially resemble verbal language, however, these are not defined as language because they lack one or more of the defining characteristics, i.e. grammar, syntax, recursion and ...

Compulsive talking (or talkaholism) is talking that goes beyond the bounds of what is considered to be socially acceptable. The main factors in determining if someone is a compulsive talker are talking in a continuous manner or stopping only when the other person starts talking, and others perceiving their talking as a problem. Personality traits that have been positively linked to this ...
