A cross-functional team is a group of people with different functional expertise working toward a common goal. It may include people from finance, marketing, operations, and human resources departments. Typically, it includes employees from all levels of an organization. Members may also come from outside an organization (in particular, from suppliers, key customers, or consultants).

Why would you want to run multiple Dropbox instances on the same machine? We could think of two reasons (1) you've maxed out on the 16 gigs or so that each free Dropbox account can give you as a ceiling, and would like to use another account to add more, or (2) you would like to access another Dropbox account for whatever reason, such as a disposable account used by members of your team or ...
