Preface - Art of Strategy

More than two millennia ago the famous Chinese general Sun Tzu wrote the classic work on military strategy, The Art of War. Now, in Sun Tzu and the Art of Business, Mark R. McNeilly shows how Sun Tzu's strategic principles can be successfully applied to modern business situations.

Sun Tzu and the Art of Business: Six Strategic Principles

adapted for use in business. A review of what noted writers have to say about business strategy suggests that the adoption was easy because the adaptation was modest. In business, as in the military, strategy bridges the gap between policy and tactics. Together, strategy and tactics bridge the gap between ends and means (Figure 1).

Fred Nickols

There is a bit more military examples than there are business examples, which has been a little disappointing. But, the corporate world examples that are provided are good ones. "Art of Business" does well to explain the finer points of Sun Tzu's timeless strategic tome and gets you started in the right direction.
