You would be entitled to ask why a manual on machine engraving when there are so many computer controlled engravers at work these days? The answer is simply

A Manual for Machine Engravers - Albion College

A master's degree (from Latin magister) is an academic degree awarded by universities or colleges upon completion of a course of study demonstrating mastery or a high-order overview of a specific field of study or area of professional practice. A master's degree normally requires previous study at the bachelor's level, either as a separate degree or as part of an integrated course.
