There wouldn't be much of a need for continuous counting, since we could rest assured that the national debt we are immorally laying on the backs of future generations will once again more than double over the next 8 years to 40 trillion dollars, if the same elite group of Masters continue to rule over and oppress their hapless victims that live on American plantations.

NATIONAL DEBT CLOCK - Babylon Today

Debt is when something, usually money, is owed by one party, the borrower or debtor, to a second party, the lender or creditor. Debt is a deferred payment, or series of payments, that is owed in the future, which is what differentiates it from an immediate purchase.
