The supremacist ideology of the Bush Administration stands in opposition to the principles of an open society, which recognize that people have different views and that nobody is in possession of the ultimate truth. The supremacist ideology postulates that just because we are stronger than others, we know better and have right on our side.

German resistance to Nazism (German: Widerstand gegen den Nationalsozialismus) was the opposition by individuals and groups in Germany to the National Socialist regime between 1933 and 1945. Some of these engaged in active resistance with plans to remove Adolf Hitler from power by assassination and overthrow his regime.. The term German resistance should not be understood as meaning that there ...
