Understanding Language Teaching: From Method to Postmethod is intended for an international audience of teacher educators, practicing teachers and graduate students, researchers, curriculum planners, and materials designers in the field of second and foreign language teaching.

### **Understanding Language Teaching: From Method to Post**

Kumaravadivelu's book on language teaching aims to illustrate the pattern that connects the various elements of learning, teaching, and teacher education in language teaching (p. xiii). As can be deduced from the title, the major theme of the book cites the emergence of a postmethod condition in the literature on teaching second/foreign languages.
