The Classical Education Edition of Caesar's English I is filled with so many extra elements that the book is too large to be handled easily by children. We ultimately decided to publish the student book in two parts at 192 pages each. A principal aim of the book is to teach children important vocabulary while giving them wide-ranging insight into the ancient world and its contributions to our ...

Linguistic purism in the English language is the belief that words of native origin should be used instead of foreign-derived ones (which are mainly Latinate and Greek). "Native" can mean "Anglo-Saxon" or it can be widened to include all Germanic words. In its mildest form, it merely means using existing native words instead of foreign-derived ones (such as using begin instead of commence).
