This text deals with the story of Western civilization. It covers social history, women's history and the interaction of the West with the other regions of the world. The text is available in a combined edition, a two-volume edition, a three-volume edition, and a Renaissance edition.

The Western Experience - Google Books

not just in the clerkship year but throughout the entire medical school experience. Since its original publication, the Curriculum has been modified twice; once in 2002 and again in 2005. The revisions have been initiated by Clerkship Directors to respond to evolving trends and pressures in medical student education.

The Western experience (eBook, 2007) [WorldCat.org]

States decline since 1970 mirrors each of the three prior evolutions of capitalism. Even more astounding, when we situate the past decade against the western experience since 1945, we see that the post-World War II world state continues to seek—and indeed has been seeking since 2008—an important, overriding
